Sir:

**TERMINAL DISCLAIMER**

Petitioner, Honeywell International Inc., having a place of business at 101 Columbia Road, Morris Township, Morris County, New Jersey 07962, represents that it is the owner by Assignment recorded on February 17, 2000 at Reel 010632, Frame 0258, of the entire right, title and interest of application Serial No. 09/506,533, filed February 17, 2000, for "Amorphous Metal Stator For A Radial Flux Electric Motor."

Petitioner hereby disclaims the terminal part of any patent on the above-identified application which would extend beyond the expiration date of any patent granted on commonly assigned U. S. Patent 6,462,456 and hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to any patent granted on commonly assigned U. S. Patent 6,462,456, this agreement to run with any patent granted on the above-identified application and to be binding upon the grantee, its successor or assigns.

Petitioner does not disclaim any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory period as presently shortened by any terminal disclaimer of U. S. Patent 6,462,456 in

the event that it later; expires for failure to pay a maintenance fee; is held unenforceable; is found invalid; is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321(a); had all claims canceled by a reexamination certificate; or is otherwise terminated prior to the expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

The undersigned is empowered to act on behalf of Honeywell International Inc. with respect to this submission.

I have reviewed the assignment for the above-identified patent application and certify that, to the best of my knowledge and belief, the entire right, title, and interest in the invention of the above-identified patent application is held by Honeywell International Inc.

Authorization is hereby given to charge the \$110 fee for filing this Terminal Disclaimer to Deposit Account No. 01-1125. A triplicate copy of this Terminal Disclaimer is enclosed.

Respectfully submitted,

Honeywell International Inc.
